OPERATIONAL MATTERS AND COMMENTS

SUBJECT: RV with Mykhaylo RUDKO on 30 September 1958 (Contact Report #10).

1. In accordance with Headquarters request, found in DIR-42940, dated 27 September 1958, RUDKO was assigned (among the other items described below) to visit Camp Valka or take other routine measures to determine the locations of Volodymyr KOZAK and Mykhaylo PROTSAYLO and the status of their processing.

2. RUDKO also was told to check Valka files regarding the status of Panteleymon FURDUGA (whose aliases are: Stanislaw ZARZYCKI, Zbigniew ROSTOCKI, FURDIG) and his current whereabouts. (This EEI was assigned in view of a letter intercepted from Volodymyr KOZAK to BANDERA headquarters, in which KOZAK provided the current address of ZARZYCKI.)

3. In view of Konstantin KAPUSTINSKY's association with KOZAK and PROTSAYLO, RUDKO also was asked to check the files at Valka regarding KAPUSTINSKY and, if an opportunity presented itself, establish contact with KAPUSTINSKY.

4. RUDKO passed on loan the following UUARC files:

A. Josef KWIATKOWSKI. According to letters in this file from KWIATKOWSKI, his true name is Aleksander LADWISZCHENKO, DOB: 14 August 1896, village Isakiv, povit Kamynets Podilsk. Full details on this individual, who came to the West legally at the end of July 1958, will be passed to BOB where KWIATKOWSKI now lives. Basically his story appears to be similar to that of AEMASCARA.

B. Czeslawa MYKITA. Biographic portions of this file will be reproduced for MB files.

5. RUDKO said he visited Michael MARTENS at Haar sanatorium on 25 September 1958 and provided MARTENS with cigarettes, literature, etc. MARTENS appeared to be very congenial and was more so when he learned of RUDKO's mission of charity, i.e., obtain MARTENS' permission for RUDKO to try to obtain USEP assistance for MARTENS. MARTENS talked about his background, including his service with the German Army during World War II, and regarding his talents in music (pianist) and journalism. He mentioned the names of a number of items of his which have been published and that in the future he hopes to publish two books, entitled, Ispyt (Examination), which will be published in English under the pseudonym, Vasyi PRYLISNYI, and Kinets pid Zmorno Katsetu (a novel regarding Soviet concentration camps on the White Sea). MARTENS did not sound as though he were disillusioned with life and in fact talked openly about events which led to his attempt to commit suicide. RUDKO was permitted to maintain contact with MARTENS.
